Back to Basics: Foundations of Math

Place Value, Addition & Subtraction

Come learn how to help your students develop a deeper understanding of the base-10 place value system. A solid foundation in place value is crucial for second graders as they become more efficient in addition and subtraction strategies. Experience new ways to approach addition and subtraction through problem solving.

A math workshop for teachers of 2nd Grade

You are invited to join educators from across the City of San Antonio in learning more about basics of early mathematics instruction.

Date: Saturday, September 19, 2015

Time: 8:30 am—3:30 pm (lunch on your own)

Location: Pre-K 4 SA West Education Center

1235 W. Old Hwy 90, 78227

Register online at <http://bit.ly/1Tx8NI4>

This 2nd grade event is sponsored by Pre-K 4 SA. Attendance is free of charge.
